Dear Decatur Club,

On the behalf of Lower Shore Special Olympics, I would like to "Thank You" for choosing our program to be one of your community partners. We appreciate your support, time and effort for making our last season successful! As volunteers at our Spring Games you provided our athletes with a successful event and memories that will last a lifetime. Our participants, parents and coaches cherish and value your professionalism, work ethic and kindness. Your club represents all the qualities that should be demonstrated among all athletes and sports programs.

We would like our partnership to strengthen and hope to work with you in the future. We have several large projects planned for this 2009-2010 and could really use your support. On November 1, Lower Shore Special Olympics will host the Maryland State Soccer Competition at Crown Sports Center. There will be over five hundred athletes traveling from all over the state for this event. Our next sporting event will be in May, which is our annual Spring Games at the Wicomico County Stadium. Finally, we have lots of fundraisers planed throughout the year and could always use volunteers at these events.

It would be a privilege for me to sign off for anyone who needs service learning or community service hours. Please contact me if you are interested in volunteering this year or have any questions.

Sincerely,

Mindy Bankert
